

**HOW TO GO TO DESERT CREEK HOUSE (DCH)  
802 Desert Creek Road - NUMBUGGA via BEGA**

**A) If you come from Bega or Narooma,** turn off the Princes Highway into the Snowy Mountains Highway and continue approx. 8 km and turn into Desert Creek Road on your right.

**B) If you come from Bemboka or Cooma,** some 200m after the bridge over Hanscombe Creek, (a small km sign indicates B 15 = 15km to Bega) turn into Desert Creek Road, on your left.

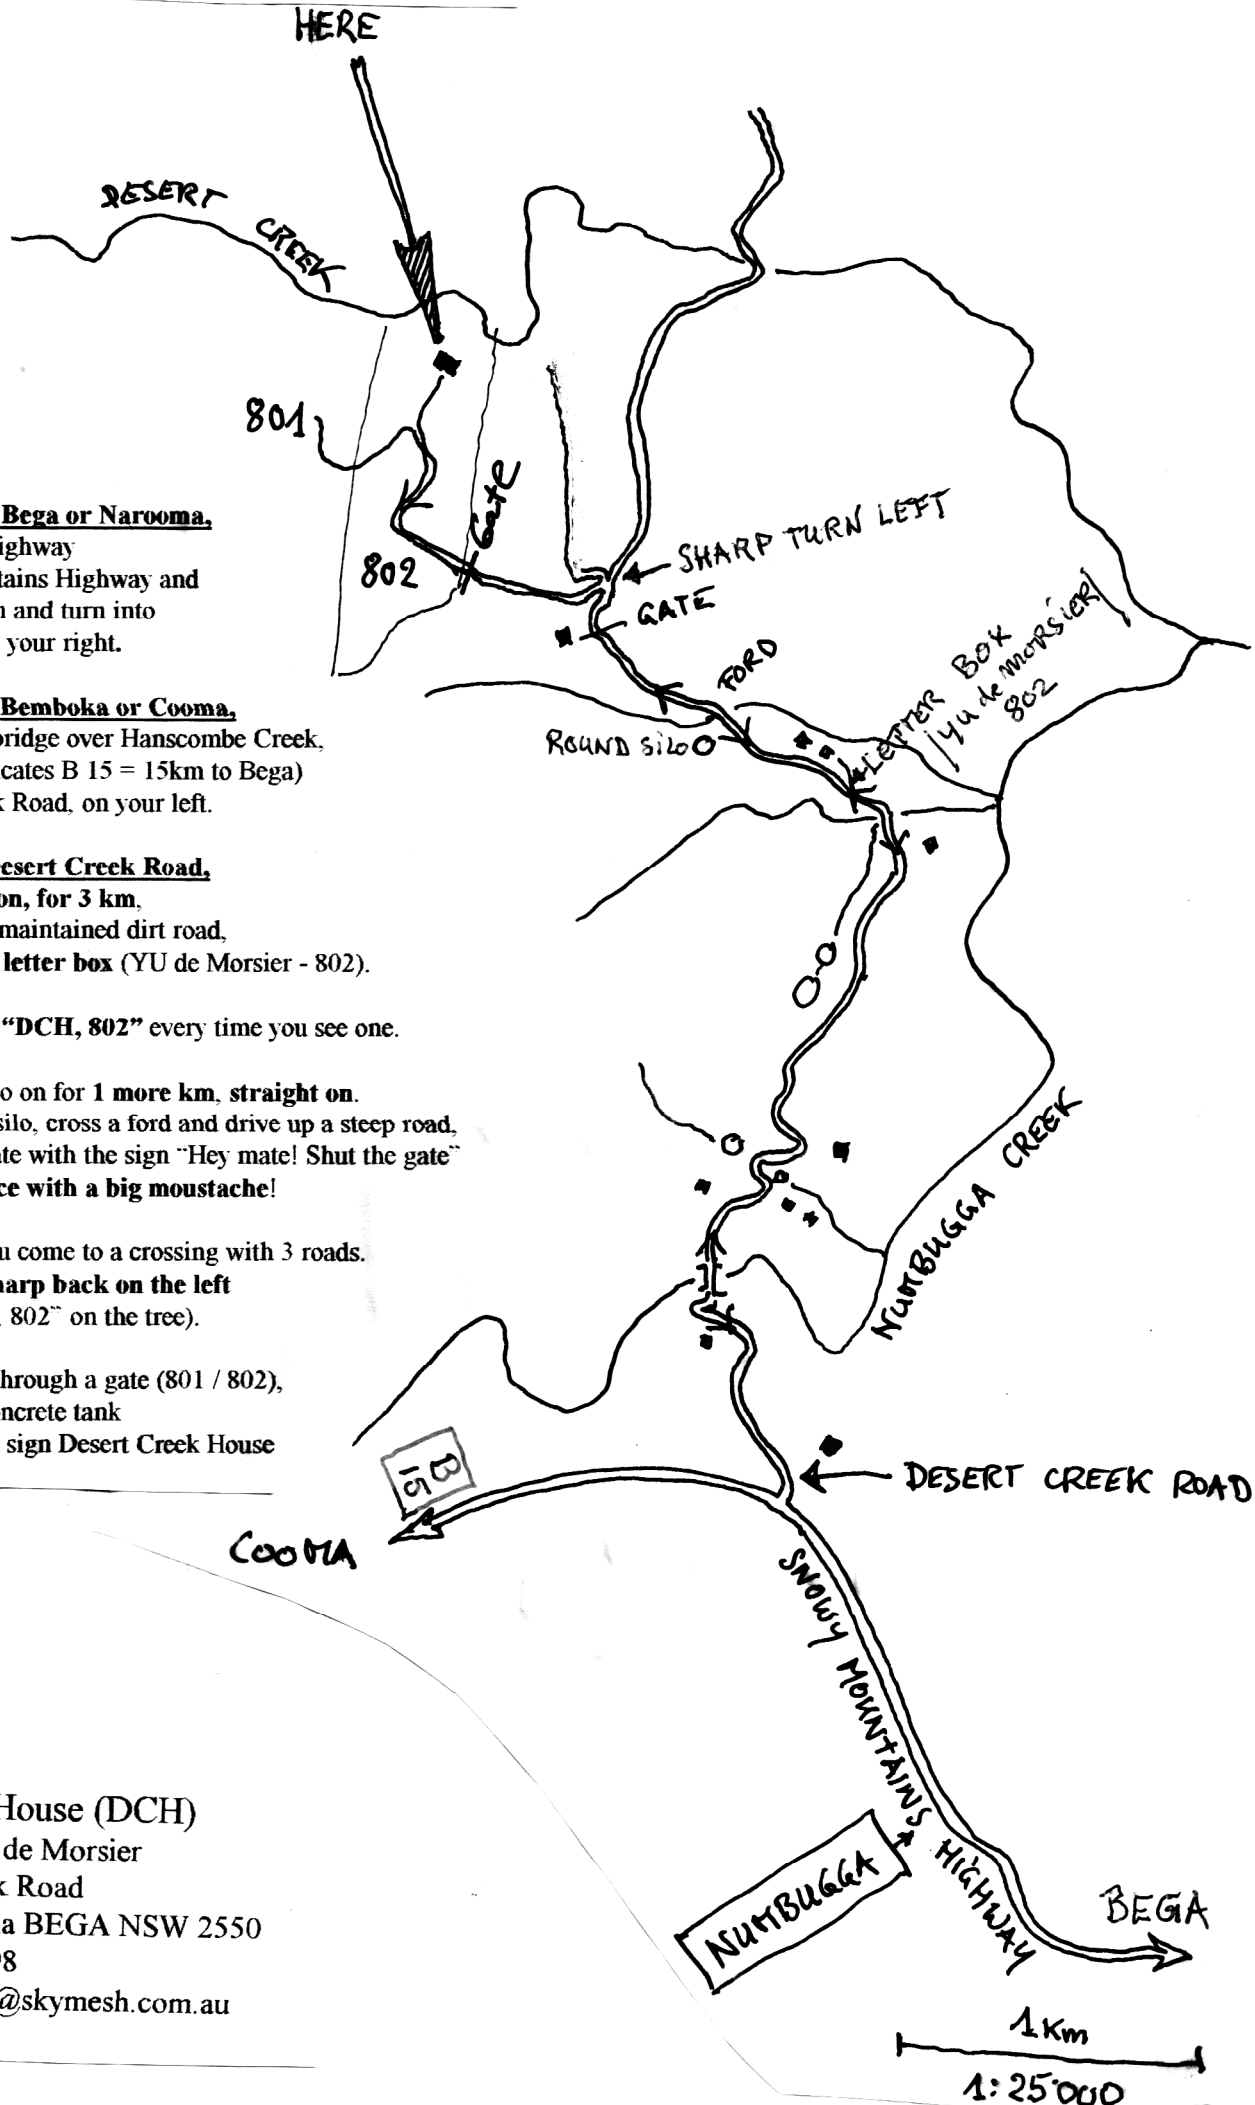

**C) Then drive into Desert Creek Road,** all the time straight on, for 3 km, to the end of the well maintained dirt road, until you come to our letter box (YU de Morsier - 802).

Follow then the signs "DCH, 802" every time you see one.

From our letter box, go on for 1 more km, straight on. You will see a round silo, cross a ford and drive up a steep road, until you come to a gate with the sign "Hey mate! Shut the gate" and a drawing of a face with a big moustache!

80m after the gate, you come to a crossing with 3 roads. Take the first road, sharp back on the left (there is a sign "DCH, 802" on the tree).

Go on for 1 last km, through a gate (801 / 802), until you come to a concrete tank with on your right the sign Desert Creek House
